Sir,

I have the honour to ~~xxxx~~ forward herewith a copy of letter No H C 106/46-7 dated 12th April 1947 received from the President, Town Municipal Council, Tumkur, stating that Mr T A Jojappa, who was nominated to represent the - Christian community in the newly reconstituted Municipal - Council of Tumkur, expired on the morning of 11th April 1947 Mr Jojappa was recommended to be nominated to represent the Christian community in the reconstituted Municipal Council and before the expiry of the term of the Municipal Council, it was unfortunate that he passed away and as such I recommend that Dr Cherian who belongs to the Christian community and who is practising in Tumkur Town as a Dental Surgeon may be nominated as a Municipal Councillor in the said vacancy Dr Cherian is a resident of Tumkur Town from a fairly long time and commands respect in the Town As such I consider it fair that the seat that has fallen vacant by the death of a christian nominee be given to another Christian gentleman and I request that you may be good enough to obtain early orders of Government to my proposal

I have the honour to be
Sir,
Your most obedient servant.

To

The Minister,

Local Self Government,

(Government of Mysore) BANGALORE

Through

The Deputy Commissioner,

Tumkur District, T U M K U R

Respected Sir,

The humble petition of S J Dharmachand, Cloth Merchant,

Tumkur

I belong to Jain community and this community is in a very small minority in Tumkur and no member of the community can hope to get into any local self governing institutions through elections

I most humbly beg to submit that in this town at no time has the choice of nomination by Government to any local body fallen to the share of this community

I beg to humbly assure you, Sir, that there is keen desire and anxiety among our community to be in touch with the progressive measures brought about by the Government and edify our-selves with regard to the working of self governing institutions and render as much service to the public and the Government as we can, but unfortunately we have not had any opportunity and it is not likely we can get any, as we are in a minority and cannot hope to get elected through want of opportunity and we lag behind and become useless limb of the society Even this time there is no representation in the Municipal Council of this town which has already been constituted

We have become permanent citizens of Tumkur and all our interest

interestx is centered here only as we have made this place our home by acquirir permanent interests here We have complete confidence that the Government of Mysore neglects no minority community and ours cannot be an exception to that

Now I learn that a place in the Tumkur Town Municipal Council has fallen vacant and I most humbly pray that I may kindly be nominated in the vacant place on behalf of our community

I beg to remain,
Respected Sir,
Your most obedient servant,
